CIVIL ACTION No. 05-72913

CLERK'S OFFICE

CONSENT DECREE

This action was brought by the United States against the City of Pontiac, Michigan ("Pontiac") to enforce the provisions of Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq., as amended. This Court has jurisdiction of the action under 42 U.S.C. § 2000e-6, 28 U.S.C. § 1343(a)(3) and 28 U.S.C. § 1345.

In its Complaint, the United States alleges that Pontiac has engaged in a pattern or

CONSENT DECREE

practice of discrimination on the basis of race and gender, in violation of Section 703(a) of Title VII, 42 U.S.C. § 2000e-2(a), by creating and maintaining dual systems for hiring and promotion within its Fire Department, requiring that one out of every three hires or promotions from any eligibility list be given to a "minority" candidate, which Pontiac has defined to include women. Since 1984, the collective bargaining agreements ("CBAs") entered into and maintained by Pontiac and Local #376, International Association of Fire Fighters (the "Union") have contained provisions requiring such dual hiring and promotional systems. The United States has named the Union as a defendant pursuant to Fed. R. Civ. P. 19(a).

The CBA in force at the time the United States filed the Complaint initiating this action contained the following provisions:

Dual lists will be established with one list being all candidates in total score order and the second list a special list of the minorities, including women, in total score order. Hiring will be made from the first list in order except that at least one (1) minority must be hired of every three (3) hires. In order to achieve this, the second list will be used if there is not at least one (1) minority for every three (3) hires from the first list. This dual list procedure will be in effect through the duration of the contract.

* * * *

Dual lists will be established with one being in score order for all the candidates and the second list being the minorities, including women, in score order. Promotions are to be made from the first list except that at least one (1) minority will be promoted out of every three (3) promotionals [sic]. The second list will be used to accomplish this if the first list does not result in at least one (1) minority promoted out of every three (3) promotions. The dual list

will be in effect though the duration of the contract.

Pontiac has complied with these and earlier CBA provisions requiring dual hiring and promotional systems, with the result that Pontiac has: 1) excluded qualified applicants from employment in the entry-level firefighter position within the Pontiac Fire Department based on their race and gender; and 2) excluded qualified candidates from promotion into positions covered by the dual promotional system based on their race and gender.

The United States alleges that by these employment actions Pontiac has violated Title VII. Pontiac denies that it has violated Title VII. Nevertheless, the United States and Pontiac, desiring that this action be settled by an appropriate Decree, and without the burden and risks of protracted litigation, agree to the jurisdiction of this Court over the parties and the subject matter of this action. Subject to the Court's approval of this Decree, the parties to the Decree waive hearings and findings of fact and conclusions of law, and further agree to the entry of this Decree as final and binding between themselves as to all issues raised in the United States' Complaint in this case.

In resolution of this action, the United States and Pontiac hereby AGREE to, and the Court expressly APPROVES, ENTERS and ORDERS, the following:

I. DEFINITIONS AND PARTIES

1. The parties to this Decree are the United States, by the United States Department of Justice, and the City of Pontiac, Michigan.

4. "Date of entry" of the Decree refers to the date on which the Court orders entry of the Decree.
5. "Day" or "days" refers to calendar, not business, days.

8. "Remedial promotional relief" refers to individual relief provided to claimants who, as a result of the race- and gender-based promotional requirements of the CBA then in effect between Pontiac and the Union, were not promoted by the Pontiac Fire Department or were promoted later than they otherwise would have been.
9. "Retroactive seniority" refers to the seniority credit that a claimant would have had if the

claimant had been hired or promoted on the date on which the claimant would have been hired or promoted but for the race- and gender-based hiring requirements of the CBA then in effect between Pontiac and the Union. III. GENERAL INJUNCTIVE RELIEF

12. Pontiac and its employees, supervisors, agents and all individuals in active concert or participation with it, are enjoined from:

- (a) engaging in or agreeing to any act or practice that discriminates on the basis of race or gender, in violation of Title VII, in relation to hiring or promotions in the Pontiac Fire Department; and
- (b) retaliating against, or in any way adversely affecting the terms and conditions of employment of, any person because that person has engaged in practices protected under 42 U.S.C. § 2000e-3(a), including, but not limited to, cooperating with the United States' investigation of the Pontiac Fire Department, participating in the litigation of this case, or seeking or receiving individual relief pursuant to this Decree.

13. Pontiac shall not enforce any provision in the CBA currently in effect between Pontiac and the Union that requires that Pontiac use dual hiring or promotional lists based on race or gender. Pontiac represents that it has not enforced any such provision since the expiration of the hiring and promotional lists resulting from the 2002 application and testing processes. Any provision in the CBA between Pontiac and the Union that requires that Pontiac use dual hiring or promotional lists based on race or gender is null and void.

IV. INDIVIDUAL REMEDIAL RELIEF

A. Claimants Eligible for Remedial Hiring Relief

14. Individuals who are eligible for remedial hiring relief under this Decree are those who:

- (a) sought employment with the Pontiac Fire Department and were placed on a hiring

eligibility list between January 1, 2002 and the date of entry of this Decree, inclusive; and

- (b) as a result of the race- and gender-based hiring requirements of the CBA then in effect between Pontiac and the Union, were not hired by the Pontiac Fire Department or were hired later than they otherwise would have been.

15. Pontiac has represented that the only persons who potentially are eligible for remedial hiring relief under the terms of this Decree, as described above, are:

- (a) Justin Parsons, was hired by the Pontiac Fire Department later than he otherwise would have been but is no longer employed in the Fire Department;
- (b) Michael Dougherty, who was hired by the Pontiac Fire Department later than he otherwise would have been and is an incumbent firefighter; and
- (c) Michael J. Lewis, Jr., who was not hired by the Pontiac Fire Department.

16. Within sixty (60) days from the date of entry of this Decree, Pontiac shall mail to Michael Dougherty a check made payable to him, in the amount of four thousand seven hundred dollars (\$4,700.00), less withholdings appropriate pursuant to Paragraph 32 of this Decree, representing backpay and prejudgment interest.

17. Pontiac shall: 1) offer employment in the entry-level firefighter position in its Fire Department to Michael J. Lewis, Jr. ("Mr. Lewis") before hiring any other individual into that position; or 2) no less than sixty (60) days prior to hiring any individual other than Mr. Lewis

into the entry-level firefighter position, inform the United States in writing that Pontiac has determined that Mr. Lewis currently is not qualified for that position and provide to the United States a written statement of all reason(s) he currently is unqualified and the information and documents (e.g., background investigation reports, criminal history records, driving records, test scores, etc.) on which Pontiac based its determination. Upon the United States' request, within thirty (30) days after the date on which the United States receives written notice that Pontiac has determined that Mr. Lewis is not currently qualified, Pontiac shall make available for interview by the United States all individuals involved in any way in evaluating Mr. Lewis' qualifications.

18. If the United States does not agree with a determination that Mr. Lewis is currently unqualified for the entry-level firefighter position, the United States may, within sixty (60) days after the date on which it receives notice that Pontiac has made that determination, request that the Court resolve the dispute regarding Mr. Lewis' qualifications pursuant to Paragraph 35 of this Decree. If the United States makes such a request, Pontiac shall not hire any individual other than Mr. Lewis into the entry-level firefighter position until the Court issues an Order allowing the City to hire the individual. The Court shall issue such an Order only if it finds: 1) that Mr. Lewis currently is unqualified for the entry-level firefighter position; or 2) Pontiac has established that it is necessary in the interest of public safety that Pontiac hire another individual prior to the Court's resolution of the parties' dispute regarding Mr. Lewis' qualifications.

19. If the Court issues an Order allowing the City to hire the individual because Pontiac has established that it is necessary in the interest of public safety that Pontiac hire another individual prior to the Court's resolution of the parties' dispute regarding Mr. Lewis' qualifications, and the Court later determines that the City has not established that Mr. Lewis is unqualified for the entry-level firefighter position, Pontiac shall hire Mr. Lewis into that position within thirty (30) days after the Court's determination.

20. Immediately upon entry of this Decree, Pontiac shall credit Michael Dougherty with retroactive seniority in the entry level firefighter position beginning on March 1, 2004, provided that he is employed in the Pontiac Fire Department as of the date of entry of this Decree.

21. On the date on which Mr. Lewis is hired into the entry-level firefighter position by Pontiac, Pontiac shall credit him with retroactive seniority in that position beginning on May 3, 2004.

B. Claimants Eligible for Remedial Promotion Relief

22. Pursuant to this Decree, those individuals who are eligible for remedial promotion relief under this Decree are those who:

- (a) applied and were qualified for promotion with the Pontiac Fire Department, as defined by the posted promotional lists, between January 1, 2002 and the date of entry of this Decree, inclusive; and
- (b) solely as a result of the race- and gender-based promotion requirements of the

CBA between Pontiac and the Union, were not promoted and/or were delayed in receiving a promotion.

23. Pontiac has represented that the only persons eligible for remedial promotion relief under this Decree are:

- (a) Matthew Wells, whose promotion to Lieutenant was delayed; and
- (b) Arthur Frantz, who was not promoted to Lieutenant from the 2002 promotional list, but whom the City has now promoted.

24. Pontiac has represented that Pontiac already has paid Mr. Frantz the sum of eighteen thousand seven hundred ninety-six dollars and twelve cents (\$18,796.12), less withholdings appropriate pursuant to Paragraph 32 of this Decree, representing additional wages Mr. Frantz would have earned had he been promoted to the position of Fire Lieutenant on November 10, 2003.

25. Within sixty (60) days after the date of entry of this Decree, Pontiac shall mail to Matthew Wells a check made payable to him, in the amount of seven thousand five hundred dollars (\$7,500.00), less withholdings appropriate pursuant to Paragraph 32 of this Decree, representing backpay and prejudgment interest.

26. Pontiac shall credit each claimant listed below who is employed in the Pontiac Fire Department as of the date of entry of this Decree, with retroactive seniority in the position of Lieutenant as of the date corresponding to the claimant's name below:

(a) Matthew Wells, Lieutenant, November 10, 2002; and

(b) Arthur Frantz, Lieutenant, November 1, 2003.

V. FAIRNESS HEARING ON CONSENT DECREE

27. Upon provisional approval of this Decree, the Court will set a date for a fairness hearing to consider giving its final approval and to hear any objections filed by individuals affected by this Consent Decree. The fairness hearing shall be held no less than sixty (60) days after provisional approval of this Consent Decree.

28. Within ten (10) days after the date of the Court's provisional approval of this Decree, Pontiac shall provide written notice of the Court's provisional approval to all claimants listed in Paragraph 15 and Paragraph 23, above, and to all incumbent sworn employees of the Pontiac Fire Department. 30. Any claimant otherwise entitled to individual relief under this Decree shall, to remain eligible for and obtain such relief, sign the Release, have it notarized, and return it to Pontiac. Any claimant who does not sign and have his Release form notarized and returned to Pontiac within thirty (30) days after the mailing of the Release, absent a showing of good cause, shall be deemed to have waived his entitlement to relief under this Decree. The determination that a claimant has shown good cause shall be within the sole discretion of the United States.

31. Within forty-five (45) days after entry of this Decree, Pontiac shall provide to the United States and to the Union a copy of each Release form returned to Pontiac by a claimant.

VII. WITHHOLDING AND SOCIAL SECURITY CONTRIBUTIONS

32. Pontiac shall withhold from each monetary award the amount required to be withheld by applicable Federal and State income tax laws, and shall pay the appropriate employer's contribution to the Social Security fund.

IX. DISPUTE RESOLUTION

35. The parties shall attempt to resolve informally any dispute that may arise under this Decree. If the parties are unable to resolve the dispute expeditiously, any party may move the Court for a resolution of the disputed issue.

APPENDIX A

NOTICE OF SETTLEMENT AND FAIRNESS HEARINGUnited States v. City of Pontiac, Michigan, et al.

Civil Action No. 05-72913 (E.D. Mich.)

On [insert date], the United States and the City of Pontiac, Michigan (the "City") executed a settlement of a lawsuit filed by the United States in July 2005 in the United States District Court for the Eastern District of Michigan. In the lawsuit, the United States alleged that the City has engaged in employment practices that discriminate against applicants for employment and employees within its Fire Department based on race and sex. Specifically, the United States alleged that the City violated Title VII of the Civil Rights Act of 1964 ("Title VII") by maintaining dual hiring and promotional systems within the Fire Department that required that one out of every three hires or promotions be given to a "minority." The United States named Local #376 Fire Fighters Union, International Association of Fire Fighters (the "Union") as a party to the lawsuit to insure that complete relief could be granted, but did not seek relief from the Union.

The City denies that its hiring or promotional system unlawfully discriminated against applicants or employees on the basis of race or sex. However, in the interest of resolving this matter, the parties have voluntarily entered into a "Consent Decree" settling the lawsuit. The terms of settlement include an agreement by the City that in the future it will not enforce a dual hiring or promotional system based on race or sex and will not unlawfully discriminate on the basis of race and sex in connection with hiring or promotions. In addition, the City has agreed to provide a total of \$ 12,200 in monetary relief to two white males harmed by the City's use of the dual hiring and promotional systems. Prior to the execution of the Consent Decree, the City paid \$ 18,796.12 to another white males harmed by the City's use of the dual systems. The City also has agreed to make an offer of employment in the entry-level Firefighter job to one of those individuals, provided that he is found to be currently qualified for the job. If hired, this individual would be given remedial seniority, based on the date on which he would have been hired absent the dual hiring system. In addition, under the settlement, the City has agreed to give remedial seniority in the Firefighter position to another individual, and in the Lieutenant position to two individuals, based on the dates on which each would have been hired/promoted into the relevant position absent the dual hiring and promotional systems.

The Consent Decree was entered by Order of the Court provisionally on [insert date]. The parties now have requested that the Court hold a "Fairness Hearing" to determine whether the terms of the Consent Decree are fair, reasonable, equitable and otherwise consistent with federal law.

This fairness hearing will be held on [insert date], at the federal district courthouse located at [insert specific address]. You have the right to attend this fairness hearing.

In addition, you have the right to file with the Court a written objection to any of the terms of the Consent Decree that you believe are unfair or unlawful. Copies of the Consent Decree are available from the City offices located at [insert specific address]. Instructions for filing an objection are enclosed with this notice. Making an objection is voluntary, but if you do not object at this time, you may be prohibited from taking any action against this Consent Decree in the future.
